

SERENASEAT

Safety, Comfort & Style

Why choose a SerenaSeat?

Safety Matters

Bring stability and safety to your shower without compromising style. ADA strength rated, so enjoy peace of mind.

Space Efficient

Folds down when you need it, and conveniently folds against the wall when you don't. Perfect for where space is limited.

Eco-Friendly

Bamboo is the perfect choice. It's easy to clean, sustainable and resistant to moisture, temperature and bacteria.

Quality Guaranteed

We use nothing but the highest quality of materials and construction.

Waterproof

Built to for life in the humid environment of a shower.
